Also the standalone figures up to the third quarter had only been reviewed and not subjected to audit.
- The Company has considered the possible risk that may result from the pandemic relating to COVID-19 and expects to recover the carrying amount of all its assets including inventories, receivable, investments and other financial and non-financial assets in the ordinary course of business based on the internal and external information available upto the date of approval of these standalone financial results. Further, the Holding Company had issued final purchase orders amounting to Rs 22.32 crores to various third-party contractors for certain works.
